PROJECT SUMMARY

CLIENT:

Anthony Kennard

- CEO/Artistic Director at Valley Arts Trust

What:

- Duplication of the Shakespeare Festival
- A portable, prefabricated theatre - *In discussions with the Dowager Lady Cawdor we floated the idea of a prefabricated, portable Elizabethan Theatre, after the style of the famous Spiegeltents.*
- not a replica of an Elizabethan Theatre
- encapsulate the feel of an Elizabethan theatre
- No electricity. Daylight performances.
- Open air structure
- to accommodate 600-800 people

Where:

- held in Clare Valley (originally at Cawdor Estates Shakespeare Festival)
- Future structure/ performances to be held across Australia

When:

- will open for Fringe 2020 (March)
- will run for the duration of the Fringe and will be taken down and stored after for future years.

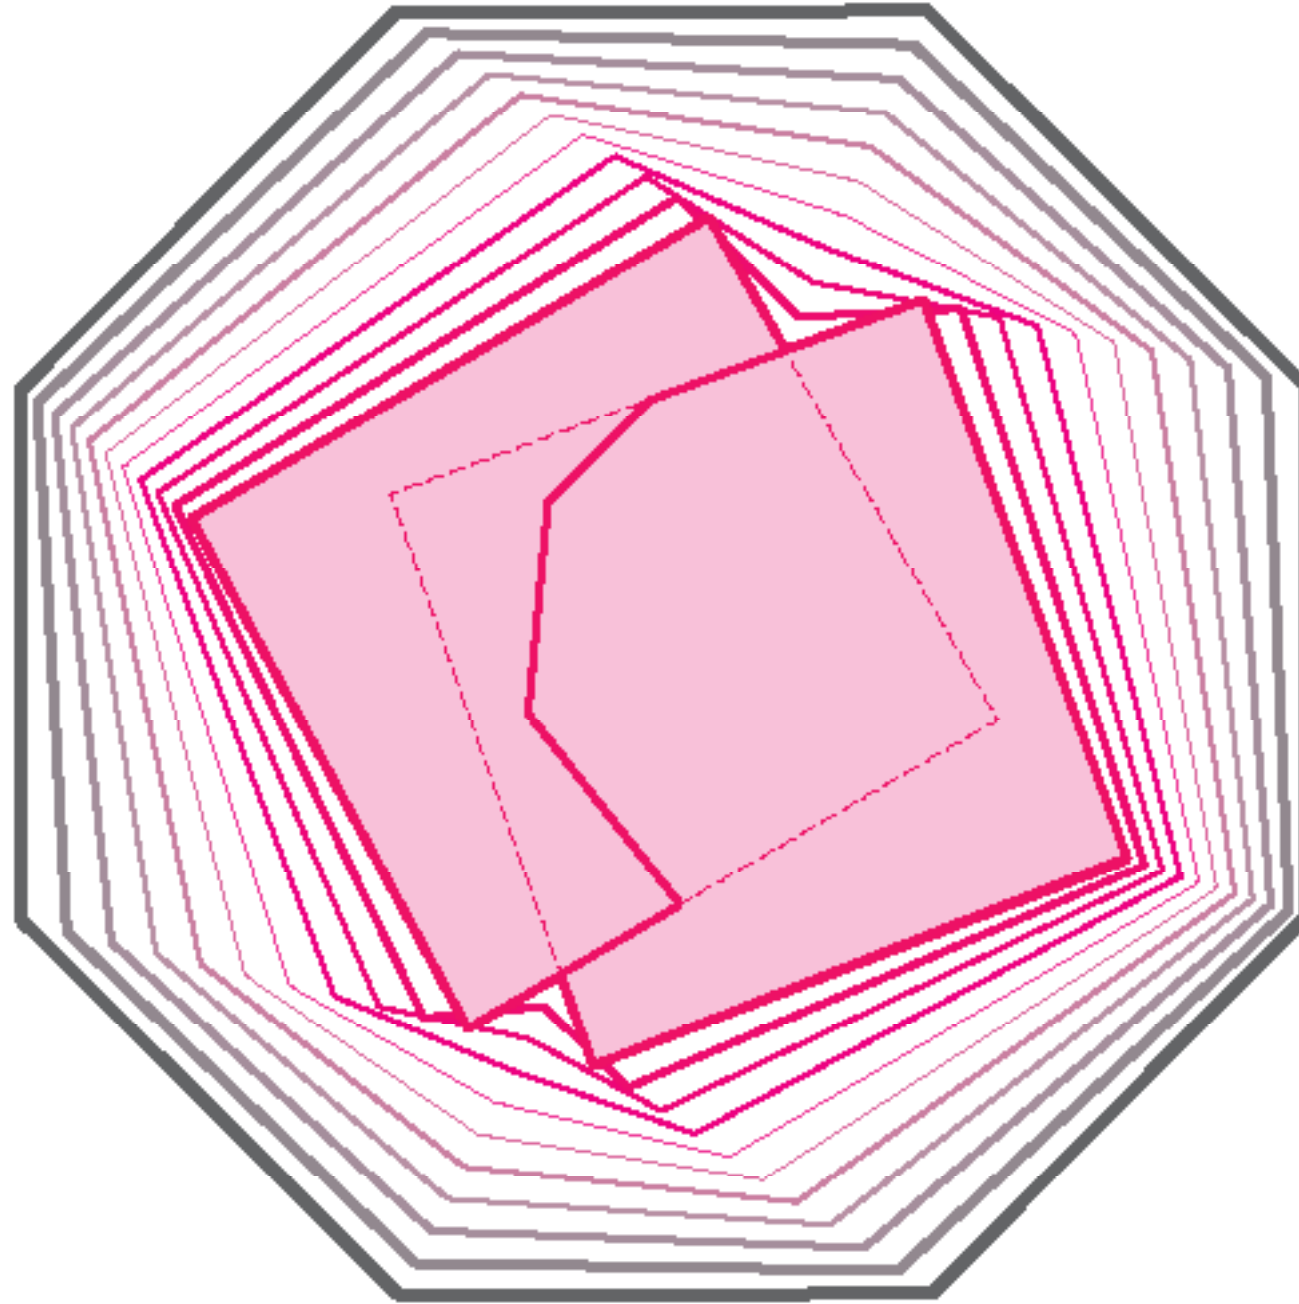

Building Material:

Main Structure - Aluminum Square extrusions

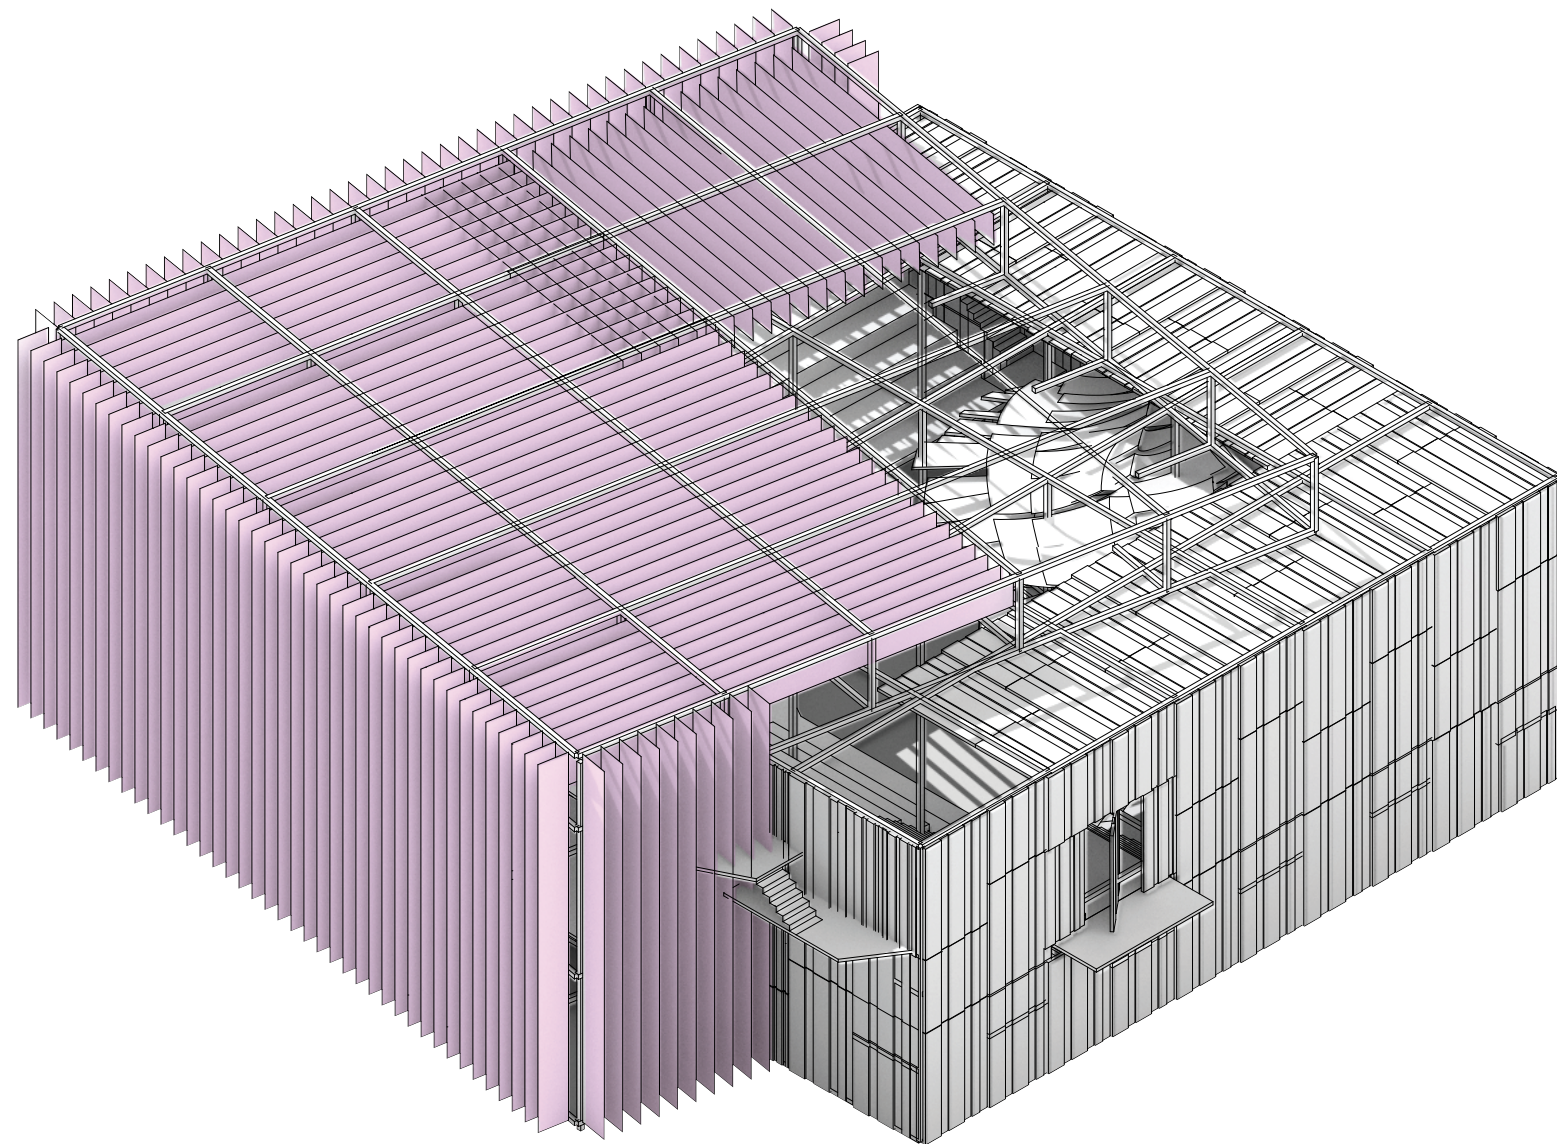

Stage, Gallery seating, Circulation - timber, plywood

Facade and Roof - PVC mesh and refurbished timber
